REACH Compliance Declaration

L-TEK d.o.o. declares that all products built by us are compliant with all requirements in the EU **Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)** regulations (**Regulation (EC) No. 1907/2006**) establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.

All of our products contain none of the **253 substances (SVHC)** included in the candidate list published on **4 February 2026** by **ECHA** in a concentration above **0.1%** by weight. This includes the latest additions: **n-hexane** and **4,4'-[2,2,2-trifluoro-1-(trifluoromethyl) ethylidene] diphenol and its salts**.

We comply with the obligation of **Article 33 (1)** of the REACH compliance and we will duly inform our customers of any changes. As we do not use restricted chemicals, we also expect from all of our suppliers to be compliant with stated requirements
